GLUE

LOWER WINGS AND FAIRINGS

RIGHT

Great place to show a wing cross section

FORM FAIRINGS TO FIT

GRAY ON WING FOR STRUT

callouts go inside the artwork and the artwork hugs the edges

tabs are going to be needed ALL around the wing tips

ROLL UPPER SIDE

Lets put the lights right onto the wings

ROLL UPPER SIDE

LEFT

NARROW END FORWARD

Since there's ONLY one door, is there a walk-strip on BOTH wings?

fairing look great when presented together
