

Great place to a graphic of an uncovered wing

## UPPER WINGS

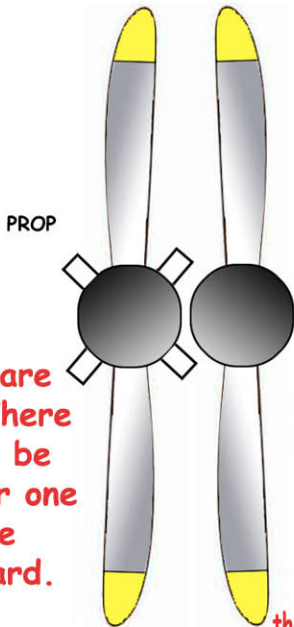

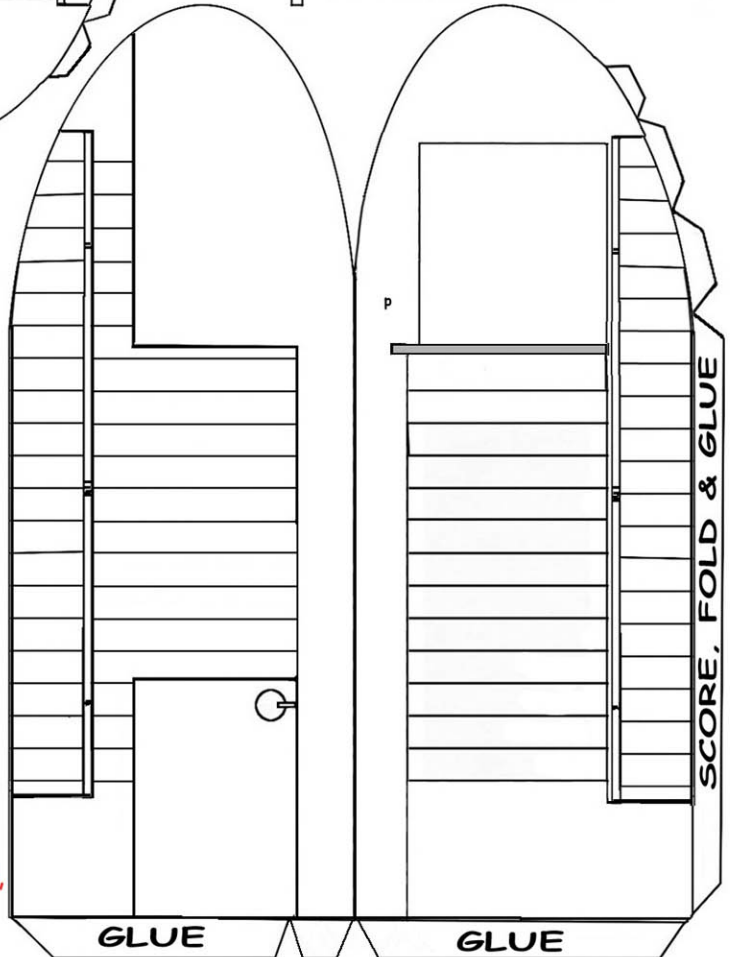

GLUE TABS ARE ON LOWER

~~LOWER TIPS UP 1 DEGREE TO MEET UPPER TIPS~~

Lets use this as a template and make the pitot tube out of a paper clip?

ROLL UPPER

Geezers will scream at this!!

ROLL &

GLUE BACK OF PROP

I'd rather see the engine built up with one of those conical fronts, wouldn't you?

Props are poor. There should be a better one in the Boneyard.

Tabs aren't needed.

Just a spot o' glue
